## Amy's Book is now available on Amazon!

Hot off the press, here is Amy's paperback version ready to order on Amazon in both English and Spanish.

"This book is the testimony of the last twenty years of Amy Serrano's life. We walked much of this journey together, but reading it in her words shows me how God can take a normal life and make it extraordinary! Amy set her sights on obeying her Father God's call to rescue, restore and raise His precious, abused, and abandoned children in Honduras, never looking back, never counting the cost."

## STILL HOMELESS AND HUNGRY

We are still feeding people left homeless by the 2 back-to-back hurricanes that hit Honduras in November. Recently, we went to the Tegucigalpa public school to bring the Word, food, mattresses, water, and toys to the many families still living there after 3 months. They have lost everything and have nowhere else to go. Yesterday we went to a small nearby village to do more of the same. Please keep these precious people in your prayers for God to supply all their needs according to "His riches in glory". Thank you so much to all of you who are still sending relief funds to help us care for them!!!

*"Blessed are those who are generous because they feed the poor."*

Proverbs 22:9

## ANSWERING COMPASSION'S CALL

As you saw on the cover of the newsletter, we are really excited about the immediate availability of Amy's book "Answering Compassion's Call" on Amazon. This was a dream of Amy's to share her God-led journey to help the wonderful children in Honduras and build an entire ministry around teaching them about Jesus, improving their education and health as well as giving them hope for the future. Amy asked Paula Fester to be the editor of the book and now this has become a reality. —

Love Mary

I want to personally thank the following people for going the distance to launch the new book:

- Paula Fester, for tireless effort in editing the book
- Sarah Serrano for the cover design
- Rick Stephens for work on getting the ISBN numbers, scripture approval and editing the Spanish version
- Oscar Serrano for oversight and help in all areas
- Dave Fester for website and graphic design

## CONTAINER

The container has arrived in Honduras but has not been released to us yet. Will update you in our March newsletter. Please pray with us that they do not keep it wrapped up in red tape much longer.

## TEAMS

The last of our 2020 teams came over a year ago because of the covid restrictions. There are so many upkeep projects to do at the village with kids there 24/7 for almost a year now. The kids ask me all the time, "When are our US families coming to visit u?" We have had no teams for a year. They really miss all of you. Currently, we have a Thacker team coming in June and a Bethel Church team in July.

# SCHOOL NEWS

## SCHOOL UPDATE

Doing school for almost 400 students online is a challenge!! But it is the hand we have been dealt, and God is in charge, so it all works most of the time.

**Village** – We have computer labs at both the Boys and Girls houses at the village, with Google Classrooms online for grades K-Seniors in High School.

**Teen Girls/Women's House** – Our 8 Bilingual Students are well on their way into 3<sup>rd</sup> partial online. Our college ladies are all back to school online, as well, at 4 different colleges.

**Spanish School** – Our Spanish School begins this month, with all the staff using Google Classroom and working from their classrooms to teach the lessons online. With gifts from the Davis' ministry, *In the Undertow*, of a fridge, microwave and coffee pot, we were able to set up a new Staff Lounge for them.

**Bilingual School** – Our staff works from their individual classrooms to do the Google Classroom lessons for their students.

As we head into the second year of covid restrictions in Honduras and in the world, we are praising God for His care of all of us and you in this H2H family, physically, emotionally and most importantly, spiritually. Thank you so much for your continued support and prayers!! We love you all and pray for you daily.

## HAPPY VALENTINE'S DAY

## SENIOR PROJECTS

Our seniors, Darwin, Cesar, Deysi, Norma and Ana are all individually required to do a Senior Project. They are to create a garden incorporating recycled materials and to conduct a recycling program in their homes using recycling barrels. They have done a fantastic job!! We are so proud of their efforts!!

2 Corinthians 1:3-5 (NIV)

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ."
