Village Update

“Someday you will see that it wasn’t falling apart, it was falling into place.” I heard this anonymous quote today and thought about all the times this was, and is true for H2H, as God has led us on this journey. We are always facing seemingly insurmountable challenges with our children in all areas of this ministry. What we have learned is that God has our back, and when it looks like we are about to go under, He is working in the hearts of His people everywhere to help us perform His will for this work.

We pray for God to send us more skilled hands to help with His kids. He does. We pray for God to provide financially for the needs we face. He does. We pray for wisdom to make God-directed decisions each day. He freely gives it. And in all these areas, this month has been no exception. Thank you for continuing to pray for us. Your prayers are the foundation God is using to hold up the walls of this ministry!!

Copan Visit

We took our houseful of girls (21 of us) to Copan this month for some much-needed R&R. We stayed at Don Udo’s Hotel, went to the bird park, shopping, to Pizza, to the Tea and Chocolate house, and to Carnitas for dinner – all favorite places that we take some mission teams to when we get the opportunity. It was a wonderful and relaxing time.

Daniel Manzanares

Moody Aviation in Montana

Daniel is thoroughly enjoying his studies at Moody Aviation and had the blessing of logging his first flight hour at Moody in a plane that did most of its service time in Honduras!

To read the full story and see some pictures of Daniel in action, check out his September 2019 newsletter on the Heart to Heart website! www.h2hcv.org

Serrano’s Fundraising Trip

This month Oscar, Sarah, and Rachel headed to the US to do fundraising from coast to coast. Please pray for them that God will protect them as they travel, that God will go before them to the hearts of those they will share H2H with, and that they will find favor in their midst. Pray for good health and energy for all of them. The journey is exhausting and they will need God’s strength daily. Thank you!! Also, pray for Eliny, the H2H Office Administrator here, who moved in with us at our house to help while they are gone. We soooo love that lady!!

New House for SPS College Girls

This fall Susanna, Wendy, Marisol, Reina, Genesis, Belkis, Katherine, Olga, and Elena, began or continued college in San Pedro Sula. The apartment we had rented for them last year was too small for so many. We prayed about what to do. Renting more apartments was too costly. Some friends blessed us with a no interest loan to purchase a 4 bed/4 ½ bath house near the university. It is wonderful and big enough for more of our girls to live as the number attending the university grows in the coming years.

School News

Children's Day

Children's Day in Honduras is so much fun. All the "bigs" (grades 7-12) put on a huge party of pinatas, games and food for the "littles" (grades k-6) Once we get them all sugared up, we send them home to their parents who continue the event as a family!! This year was no exception. In addition to the celebration at our school, our seniors from both the Bilingual and Spanish Schools, went to the school at Chile and did a celebration for them.

Honduras Independence Day

Honduras Independence Day, like our 4th of July, is celebrated in a big way here. It falls September 15, so school is in session. All the schools participate in the big parade. In fact, there are so many schools participating, 3 parades are held to accommodate all of them. This year we paraded on September 14th. We combined our two schools, Spanish and Bilingual, for the event. Almost 300 of us marched down main street to the music of our new band!

New Computers

In addition to wanting the kids under our care to be computer literate we also want to expose them to possible careers in website & software development. So last Spring we applied for a grant of new computers for the school. We were chosen for the grant and the computers arrived this month from Dubai! The monitors, keyboards and mice are coming in a couple weeks from China. The power cords are arriving from San Francisco via UPS. Talk about God having the whole world working together to bless us!!!

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”
